TOBACCO WORKERS.

Convention of the Association to be Held Here This Week.

The International Tobacco Workers will meet here in annual session this week. The sessions will begin this morning at Odd Fellows' hall and continue throughout the week. There will be about seventy-five delegates present, representing organizations from Canada and this country.

Among the delegates will be two ladies, one from St. Louis and the other from Virginia. The committee on constitution has been in session here during the past week and they will submit a revised constitution and by-laws to the convention. This committee is composed of James Cullen, of St. Louis; James Daly, of Middlebourne; W. R. Walker, of Richmond, and Daniel Wallace, of Detroit.

Some of the delegates came to the city yesterday and the balance will arrive this morning. The local committee has arranged a programme of amusements for the entertainment of the visitors during the week.

Benwood Cutting Scrape.

A crowd of young men in a drunken condition engaged in a drunken row on Main street in Benwood last night, and as a result some gore was spilled. Peter Amrein received a serious stab in the body and William Bowles had three fingers cut on the left hand. Theodore McIlvaine is said to be the one that did the cutting and a warrant was issued for him before Justice O. A. Lacey. Dr. J. W. McDonald dressed the injured men's wounds.

Republican Rally.

The Republicans of Clay and Union districts will meet on Tuesday evening, at 7:30 o'clock, at the club room opposite the city building, for the purpose of reorganizing the old Clay-Union District Republican club, and also for the purpose of organizing a Rough Rider company of those of the members who desire to join a marching club. Great interest is being taken in this movement to reorganize the old club that did such effective service during the campaigns of 1894 and 1896, and the younger element is anxious to get in line for the Roosevelt demonstration on the 15th of October.

An invitation has been extended to all Republicans of Clay and Union districts to join in this movement.
